The Commander's Intent

Review

Becoming an “emerging adult” begins at birth

At every age we can be about our Father's business

Vision/focus

Not everyone is going to be a parent but all of us can support and contribute to furthering the vision and focus in the body of Christ in the earth.

We need God's vision and we need God's focus.

*Pro 29:18*—“Where there is no revelation (prophetic vision), the people cast of restraint (to loosen)...

Without God's vision people will tend to get sloppy and lose their focus — then they end up doing what they do for selfish or self-serving reasons.

When we do not have a vision we will look unto self for our focus.

Without a vision we will go with what we feel; feelings will drive our focuses.

Every man will do what is right in his own eye

*“...but happy is he who keeps the law.”*

Law = “Every word that proceeds out of the mouth of God.”

God's word gives the vision and God's word gives the focus.
